

Two Stage Exam

Out of Class (Instructor)

In Class (Instructor)

In Class (Students)

Begin Here.

1. Instructor prepares two levels of assessment - individual and group.

2. Instructor (or TAs) distribute the individual assessment.

3. Individually, students complete the assessment.

4. Students form small groups (ideally of 3-4 students) immediately following the individual assessment.

5. Instructor (or TAs) collect the individual assessments and distribute the group assessment.

6. As groups, students work together to answer the new questions and prepare a group solution.

7. Instructor (or TAs) collect the group assessments.
