Family Feud

By Philippe Caignon

Out of Class

In Class (Instructor)

In Class (Students)

- Work in Groups
- Whole Class
- Problem Solving
- Quiz

Begin Here.

Students get into groups of 3-5 and sit together at a table

Instructor asks 10-12 questions (with answer rounds between each) that broadly cover the course material

Quiz Round 1

15 min

Groups:

- Discuss possible answers to each of the questions
- Choose someone to present answers to the instructor and class

The first group to answer a question correctly gets a point

01

In their groups, students:

- Work together to come up with their own questions (1-2)
- Questions should be more specific than those used by the instructor

10 min

02

Instructor:

- Collects questions from each group
- Asks the class the questions

Quiz Round 2

10 min

Groups:

- Compete to answer questions other groups have created
- Cannot answer their own questions

The first group to answer a question correctly gets a point

03

The group with the most points at the end wins
