

## Design Theory

### Interior Design –Design Timeline

---

**Class length:** 180 minutes

**Project Type:** Class Activity

#### Before Class:

- As homework, bring some basic information about your selected item to class (style name, distinguishing features of this designer's work or style as shown in this furniture piece)
- The text should be a summary (1-2 paragraphs) in your own words (point form is ok)

#### For Class:

- Bring your TEXT SUMMARY to class
- If we are in a low-tech classroom, **also bring** ONE small colour photocopy (size 2"x 2") of the furniture item you selected from the Furniture Folder
- Be prepared to discuss the main design ideas for your selection during class

#### During Class:

- We will do an in-class activity using your selected furniture item and information
- If we are in a high-tech classroom, **connect to the website** (SMART Amp.com, Nureva, etc.) for the classroom activity
- There will be a quiz at the end
