Begin Here.

 Instructor assigns each group 1-2 pages to analyse from the first chapter of the novel. 

10 min

 In their groups, students underline all the words/references that they do not understand. 

30 min

 In their groups, students look up the definitions/explanations for the words they underlined. They then pick one or two words/concepts to describe in more detail. 

The instructor walks around, listening to students' discussion and providing support when needed.

20 min

 In their groups, students create a brief power point that includes all the definitions they looked up and the longer descriptions for the words/concepts they picked. 

15 min

 Once everyone is done, students walk around to review each other's work.
