

## Peer Evaluation: Group Assignment 2

### Group Member 1

Please evaluate the participation of your peers as they prepared for, contributed to, and completed your group assignment. Evaluate ALL members of your group. Group members do not have to contribute in the same way; however, all group members should contribute significantly to the successful completion of the project. Indicate below the first name, last name of each team member to assure that their evaluation is credited properly. Group members need not be evaluated in any particular order.
