

QUICK START

01

Log into Courseflow

If you do not have an account, sign up [here](#).

Already have an account? Log in [here](#).

02

Create a project

Projects are folders for storing your workflows.

From any page, create a project using the + icon on the top RIGHT.

03

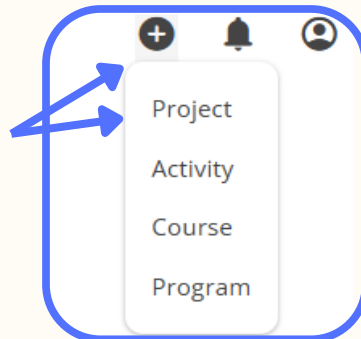

Add a workflow

Workflows are visual maps of activities, courses, or programs.

From inside your project, add a workflow using the + icon on the top LEFT.
